

Peer Evaluation and Individual Status Report

Fill out and submit this evaluation in a sealed envelope prior to the presentations. There are two sheets in this evaluation.

You are required to evaluate each member of your team. It is imperative that you be honest and fair in your evaluation. You will rate each of your peers on a scale of **1** (a dismal performance with no contribution to the team) to **10** (an exemplary performance and outstanding contribution to the team).

As part of your evaluation consider the following:

1. Participation

- o Was this team member actively engaged in team discussions and contribute ideas?
- o Did this team member always show up for team meetings?
- o Was this member an asset to the team?

2. Quality

- o Were this member's ideas sound?
- o Were the methods and tools used by this member valid for the tasks assigned?
- o Did this team member's contributions and efforts help the team's overall objectives during the "war games"?
